Importance: High

Hi Robin,

Sorry to bother you on this issue again, but I'm just the messenger here. Please draft an amendment to AB 547 that is the same as LRBa2348/1 (which you drafted earlier) but deletes page two in its entirety.

If you have any questions, please let me know.

Robin,

Am I missing something? The draft you sent does NOT include the word manufactured as requested below. It must say manufactured or modular..... as in Both words must be in the sentence. Diane will send back the stripes again. This is a Rush. We need it by 10:30 a.m. Thanks.

Robin,

Diane in my office is going to send back the stripes to you on this because DSPS wants the change you made to say instead: Manufacturers, retailers, or installers of manufactured or modular one or two family housing.

Thanks for everything you are doing for our office!

So as not to confuse our members, can you please update 2365 so it looks like 2399/2 plus the manufactured / modular home correction I just sent you this morning? The reason I ask that is that I already shared 2365 with the members last week, and we have so many amendments, I would like to stick with the same draft number if possible. Thanks.
